Re: Meister Road Fairfield County Ohio

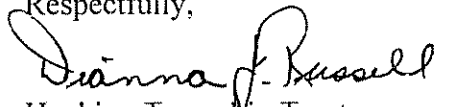

To Whom It May Concern:

The Board of Hocking Township Trustees, resolved to place on non-maintained status, a section of Meister Road within Hocking Township jurisdiction. However; at the March 22nd meeting the trustees motioned to change the request to vacate the road instead of placing it on non-maintained status.

After this meeting, the trustees were advised by the County Engineer that the procedure should be to place the road on non-maintained status first and then proceed to vacate thru proper procedure. Therefore, to comply with Ohio Revised Code, we must notify the public and property owners again.

This therefore is your notification of the two meetings to be held at the Township Hall located at 1175 Cincinnati Zanesville Road, Lancaster, Ohio, April 12th and April 26th at 7 PM.

Respectfully,

Hocking Township Trustees
Dianna J. Russell / Fiscal Officer
