

# MAUMEE BAY STATE PARK NATURE CENTER

## NATURE PROGRAM SCHEDULE

### SUMMER 2010

#### SUNDAY

- 9:00 am **KID'S BUG SWEEP** *For our Campers* This naturalist-led insect sweep begins at the campground shelterhouse. We'll bring the nets & jars, as well as prizes for the best collectors!
- 12:00 am **MONARCH BUTTERFLIES** Visit the gazebo breeding facility and witness the magic of metamorphosis!
- 2:00 pm **SLIME, SKIN AND SCALES** Learn more about northwest Ohio's reptiles and amphibians during feeding time.

#### WEDNESDAY

- 3:00 pm **NATURE CRAFT** Make a cool new art project each week.

#### THURSDAY

- 10:00 am **BIRDING 101** This 1½ hour program is designed to provide adventure and excitement while learning about birds using activities, investigations, and games. For families with children ages 6 – 14.

#### FRIDAY

- 1:00 pm **BUTTERFLY FIELD IDENTIFICATION** Join the Naturalist staff as we explore various natural areas of the park in search of various Lepidoptera species, and document their presence for the Ohio Natural Heritage Database.
- 8:30 pm **BLACK SWAMP OWL PROWL** Meet Otis the Eastern Screech Owl, then look for his cousins on the Boardwalk as we travel back in time to the days of The Great Black Swamp!

#### SATURDAY

- 10:00 am **FAMILY FISHING FUN!** ...We provide bait and tackle, you catch the fish!
- 7:30 pm **HOLY SNAKES ALIVE!** *For our Campers* Meet at the campground shelterhouse for the Saturday Night Ice Cream Social at which time we'll introduce our park's reptilian ambassador "Foxy."

All programs start promptly at times given and meet at the Nature Center unless otherwise specified.  
Children under 12 must be accompanied by an adult at all programs.

When it is time to renew your vehicle and RV registration, ask for the new "CAMPING" license plate. Your purchase helps support interpretive and educational programs in our parks!  
Call 1-888 PLATES and display your support for Ohio State Parks!
