

## Disc Golf Rules

- Disc golf is played like golf, using flying discs. One stroke is counted each time the disc is thrown and when a penalty is incurred. The winner is the golfer with the lowest score.
- Tee throws must be completed behind the designated tee signs. After teeing off, the player whose disc is farthest from the hole always throws first. The player with the fewest strokes on the previous hole is first to tee off.
- Fairway throws must be made with the foot closest to the hole on the spot where the last throw came to rest. The other foot may be no closer to the hole than the foot on this lie.
- A run-up and normal follow-through, after release is allowed more than 10 meters from the hole. Inside of 10 meters the player is not allowed to step past his/her lie.
- A disc that comes to rest inside of the basket constitutes successful completion of the hole.
- For the safety of other players in the park, please be patient and wait your turn.
- Be alert and courteous to other park user groups!
- Help protect, beautify and conserve our park and natural areas by picking up litter, not harming the native vegetation and wildlife. Do not feed wildlife!
- Trash-Van Buren State Park observes a carry in carry out trash policy. Please take your trash with you when you leave, thank you!

*Please respect our course, nature and park visitors. Have fun and play safe!*
