

2010 Fishing Forecast

Foundation Park Pond

Knox County
7 Acres- No Boats Allowed

Rainbow Trout

OUTLOOK: EXCELLENT

Stockings of yearling catchable (10-12") trout are planned for October. Trout are stocked in the pond on the left when entering the park. Good place to take beginning anglers. Use spinners, twister tails, corn, cheese, prepared baits, etc. For fall stocking date, check the Division of Wildlife web page for fall trout stockings in the early fall.
