

2010 Fishing Forecast

Greenfield Lake

Fairfield County
12 Acres- 10 HP Limit, Fishing

Largemouth Bass

OUTLOOK: FAIR

Small population of fish. Target the shoreline cover using creature baits, crankbaits, and spinners.

Channel Catfish

OUTLOOK: GOOD

Good population of stocked fish. Good lake for beginning anglers. Night crawlers, chicken livers, or shrimp fished on the bottom can be successful.

Sunfish

OUTLOOK: GOOD

Fair population of bluegill and green sunfish. Fish pieces of night crawlers, redworms, or wax worms suspended by a bobber for results. Target the rocks along the dam for green sunfish.
