**OBTAINING FISHING EQUIPMENT:**

Up to 48 fishing outfits (up to 12 outfits for each trained or qualified staff member) can be obtained by completing this form and sending it and a letter (on your organization's letterhead) with the following information to the Division of Wildlife:

1. Number of rod/reel combinations requested: \_\_\_\_\_.
2. Dates of fishing event(s): \_\_\_\_\_.
3. Statement regarding your agency's intent to continue fishing programs in the future.
4. (Number of scheduled fishing events per year). Loan or Donation (Please circle).  
Statement regarding your agency's ability to secure the equipment.
5. Names of the staff members trained by the Division of Wildlife or other appropriate qualifications.

The Division of Wildlife will provide an appropriate amount of hooks, bobbers, and sinkers. Our loaner equipment is also available for short-term programs. The Division of Wildlife reserves the right to limit quantities and to collect the equipment if the cooperating agency decides to discontinue offering public fishing programs.

By requesting and accepting these materials, you agree to complete and return an Aquatic Activity Final Report form(s) **AND** the completed student registration cards upon completion of your program(s) to the address below.

**\*NOTE\***: Please allow three weeks for delivery. The Division of Wildlife reserves the right to limit quantities.
